

DELETION FORM

LEGALDOC e SAFE LTA

Whereas:

a) Tinexta Infocert SpA and _____, with registered office in _____, CF and P. VAT _____, in the person of the legal representative / eArchiving manager _____ have concluded a contract on _____ they concluded a contract for the provision of

b) Chapter 6 of the InfoCert 'eArchiving Plan' provides for the deletion of archive information packages (actual deletion of a document or archiving package and any duplicates produced during archiving activities, both logically and physically, due to ceased relevance for administrative, legal or historical research purposes, pursuant to the GDPR) at the explicit request of the Customer/Producer.

All, by this act, the Client:

1. requires the deletion of documents listed in the attachment using tokens (unique identifier);
2. declares that it has obtained any necessary authorizations from the National Archives;
3. expressly acknowledges and accepts that, for the documents listed in the annex, Tinexta Infocert no longer has any responsibility in this regard as a eArchiving Provider, as any function that Infocert may have assumed pursuant to the legislation in force ceases to exist;
4. acknowledges and agrees that these documents will be totally and irreversibly deleted and no copies or duplicates will be retained or retained in its systems and databases, nor will they be recoverable in any way in the future.

Attachments: list of document tokens to be delete (CSV signed by the eArchiving manager)
